

**BERNIE IS THE BEST CANDIDATE** for teachers, union members, and all workers in the United States. His stances on education and labor are the biggest and boldest of the 2020 Democratic field. Bernie has the broadest, most mobilized base. We're ready to beat Trump in crucial states like Wisconsin, Michigan, Pennsylvania, and elsewhere.

## THE THURGOOD MARSHALL PLAN FOR PUBLIC EDUCATION

- ↳ Triple Title I funding for high needs schools
- ↳ Support the NAACP's call for a moratorium on charter schools and ban all for-profit charters
- ↳ Ensure that the federal government provides at least 50 percent of the funding for special education
- ↳ Provide year-round, free universal school meals for every student
- ↳ Work with states to establish a \$60,000/year salary floor for all public school teachers, tied to the cost of living
- ↳ \$5 billion a year for CTE programs so students have the skills they need when they graduate and \$5 billion a year for community schools that "provide a holistic, full-service approach to learning and the well-being of our young people"

## WORKPLACE DEMOCRACY PLAN

- ↳ Eliminate "Right to Work for Less" laws
- ↳ Ends exploitation of "gig workers" by correctly characterizing them as employees.
- ↳ Establish federal "just cause" legislation that prevents arbitrary firing of workers
- ↳ A fair transition to Medicare for All (require that healthcare savings from union-negotiated plans result in wage increases and additional benefits for workers)
- ↳ Provide unions the ability to organize through a majority sign up process
